

# DAVE BURN

**DAVE BURN** *NOTHING IS AS IT SEEMS* is Dave's 17th solo album and first to feature vocals, a departure from previous solo albums which were all instrumentals.

The guitarist hails from Newcastle Upon Tyne in the North East of England. Playing with various bands in the pubs and clubs of the North East, many notorious for it's difficult audiences, Dave gained a great reputation for his lead guitar work. Dave has recorded a staggering twenty four albums: seventeen solo, three with the UFO tribute band **UUFO**, two albums with 'nobody's fool' and two with the late Paul Raymond (**UFO**, **MSG**, **Wasted**, **Chicken Shack**), who sadly passed away in 2019. Dave also toured with

Paul as his lead guitarist with Paul and his band **PRP** (Paul Raymond Project).
